Zaver Road, Mulund West  
Mumbai 400 080.

Sirs,

**Sub: Free 'E.C.G.' checkup organized by your company for our Teaching/  
Non-teaching Staff at our college campus on 6<sup>th</sup> & 7<sup>th</sup> February 2007.**

With reference to above, on behalf of the Management and all the Teaching/ Non-teaching staff of Guru Nanak Khalsa College of Arts, Science & Commerce, Matunga, Mumbai, I, the undersigned, wish to place on record our sincere appreciation and heartfelt thanks to your company and its personnel for the timely 'E.C.G.' checkups conducted free of cost on our campus for all of us without any disturbance to the normal working routine and schedule.

Initially, we all were skeptical about the whole exercise since the concept of a portable device for recording the Electrocardiograms and transmitting of such recorded sound impulses over a normal fixed telephone landline for viewing the same and retransmitting this back via Fax/E-mail mode was unheard of, to the best of our knowledge and belief.

The results, however, were unbelievably amazing and accurate to say the least. The quality of E.C.G. tracings and reporting, that too, on plain paper, are sharp, lucid and crystal clear for laypersons like us and one daresay much, much better than those currently available. Two of our Staff have gone in for immediate remedial action on detection of abnormalities in their respective E.C.Gs. which have been confirmed later on by the Cardiologists.

Your device is truly international class and a boon to the human race. The manufacturers and your technical collaborators, **M/s. AEROTEL MEDICAL SYSTEMS, Israel**, certainly deserve our fulsome praise and compliments for this wonderful instrument of healthcare.

Coupled with the excellent service support and backup provided by you, I am sure that your company has introduced a first of its kind service in Mumbai/ India which is bound to go places in the sphere of basic healthcare for the human race.

We wish you all the best in your future endeavours and look forward to being associated with your company in any way which we possibly can.

Thanking you once again and best of luck and good wishes.

Yours faithfully,

  
Dr. AJP SINGH

Principal
